### THE DUKE OF ARGYLE COLLECTION

We have obtained 330 Roman sestertii from the celebrated collection of the late Duke of Argyle, who passed away shortly after WWII. These are all large bronzes as follows: Rulers range from Augustus to Trebonianus Gallus, with many of the better names such as Domitilla, Nero Claudius Drusus Agrippina, and many others, and many interesting and scarce reverses of Nero, Hadrian, Trajan, Domitian, Vespasian and others. Condition generally is in the fine or better range on the earlier pieces, up to EF or better on later ones, but there are very few "dogs". All in all, a fine opportunity, and a good investment at, for the 330 coins. (7,500.00)

### GREEK COINS

- Illyricum c. 220 B.C. AR Drachm, cow/calf about very fine. (12.50)
- Macedon-Philip II tetradrachm, AR, 359-336 B.C., about extra fine, darkened and two spade cuts on reverse, but scarce and attractive. (85.00)
- Syria-Antiochus VII. Sidetes 138-129 B.C., extra fine with some ancient graffiti in field about portrait. Scarce. (55.00)
- Thrace-Lysimachus 323-281 B.C., AR tetradrachm, Sigeum Mint M402, VF. (125.00)
- Egypt-Ptolemy I-II c. 285 B.C., VF+. (45.00)

### LIST SPECIALS

- West New Guinea (West Irian and Irian Barat) Yeoman 1-2-3-4-5, 1962, uncirculated. Catalogue value \$42.50, SPECIAL \$10.00 per set. Only 25 sets in stock.
- Odd and curious Siamese "canoe" money: boat-shaped coins made of low grade silver mixed with tin, as used in the early 19th century. About 3" long. Each (2.00)

### ANTIQUITIES

Probably no field of collecting has been expanding as fast as the collecting of ancient artifacts, as actually used by long-dead civilizations. We are not necessarily speaking of million dollar museum pieces, but rather of the everyday things used by the everyday man. Needless to say, all are absolutely guaranteed to be genuine as described.

- Pre-Columbian votive heads, used to placate the gods. Crudely fashioned by hand of clay, we offer Olmec Civilization heads, each roughly an inch or so high, unmounted and exactly as recently excavated, dating about 300 A.D. Each (3.50)
- Same, for Vera Cruz area, 2" high, and crude. Each (7.50)
- Egyptian Mummy beads. These were swept up in opened tombs and recently struck together. Dating probably 2000-3000 years before Christ, in delicate colors, and made of faience. Only ten strands available, mostly about two feet in length. Per strand (15.00)
- An ancient parchment land deed from Schweinfurt, Germany splendidly hand written from 1462, complete with impressed, ribboned clay seal. One small mendable cut, would make unusual wall decoration. (85.00)
- Rare, eight inch black Magna Graecia THREE holed oil lamp, dating from about 350 B.C., and of the type used in noble homes. This is a magnificent example of an ancient art, and of museum grade. Only one at (75.00)
- The Lamp of Pan. Ancient Roman, c. 50 AD, from, probably, a temple. Mask of Pan, about five inches long, fashioned into a beautiful oil lamp. Hand signed by the maker on the bottom, and very rare. Only one (175.00)

# DON'T BID IN THE DARK

*If buying at auction is new to you*

*If you are unsure of what to bid*

*If your bids are generally unsuccessful*

*If you would like advice in bidding*

You can take much of the guessing out of bidding at auction. We'll be happy to place our sixty-seven years of auction experience at your service, by supplying our estimates of the probable realizations of the lots in which you are interested. Simply send us a list of these lot numbers (leaving space for us to insert our valuations), and enclose a stamped, self-addressed envelope. Our reply will be forwarded promptly. If time is short, call us for this information. OF COURSE, HOW MUCH YOU BID, OR WHETHER YOU BID AT ALL, IS UP TO YOU.

Naturally, using our estimates doesn't mean that you will obtain every lot on which you bid. But you will be in the ball park, and should obtain a fair proportion of your bids, and at prices consistent with current market values.

# HARMER, ROOKE NUMISMATISTS, LTD.

With the advent of 1971, we are pleased to offer yearly subscriptions to all of our prices realized, auction and fixed price catalogs. All catalogs, including special sales, are covered by this subscription, which is at reduced rates, instead of the customary charge of \$2 for each. Many valuable, interesting, and unusual consignments are being processed, and we anticipate that we shall equal, if not exceed, the 8 catalogs mailed this year.
